Re: Docket No. 2005-244-C - MCI WorldCom Communications, Incorporated's Notification of the Sale of Certain Assets Used in the Services Business to vCustomer Corporation  
Our File No. 05-7037

Dear Mr. Terreni:

Pursuant to the South Carolina Public Service Commission requirement, MCI WorldCom Communications (MCI) published the Notice of Filing in newspapers of general circulation in South Carolina before September 5, 2005. Affidavits of Publication have been filed with the South Carolina Public Service Commission.

As of the close of business on September 26, 2005, the response period has run, and no parties have intervened in this matter. The South Carolina Office of Regulatory Staff has filed a letter indicating that it has no objection to MCI's proposal to sell certain assets to vCustomer Corporation. The sale of MCI's assets used in Directory Assistance and Operator Services will not impact customers in South Carolina. MCI, therefore, respectfully requests that this matter be dismissed.

Thanking you in advance for your attention to this matter, I am,

Very truly yours,

WOODWARD, COTHRAN & HERNDON
